## LED Garden Light 5W or 10W

|                                |                                                |
|--------------------------------|------------------------------------------------|
| Product Group                  | 21                                             |
| Product Name                   | SL-FL-A05 (LED Garden Light 5W or 10W)         |
| Code                           | NA                                             |
| Description                    | COB or High Power LED                          |
| Housing                        | Aluminium PC (Black or White)                  |
| LED Chip Brand                 | BRIDEGELUX                                     |
| Input Voltage (V)              | DC24V                                          |
| Power Consumption (W)          | 5W / 10W                                       |
| Dimension (mm) (Ø x L x H)     | 5W = 42 or 50 x 78 x 300 / 10W = 68 x 95 x 300 |
| Color Temperature (K)          | Warm white (3,000K)                            |
| CRI                            | >70/ 80Ra                                      |
| Power Factor                   | 0.6                                            |
| IP                             | 65                                             |
| Beam Angle                     | 15° , 24° , 30°                                |
| Luminous Efficiency (LM)       | 80Lm/Watt                                      |
| Efficiency of the Power Supply | >87%                                           |
| Life time                      | 50,000 hrs.                                    |
