|--------------------------------|----------------------------------|
| Product Group                  | 21                               |
| Product Name                   | JD-CD75C02 (LED Garden Light 5W) |
| Code                           | 21-085                           |
| Description                    | COB or High Power LED            |
| Housing                        | Aluminium PC                     |
| Input Voltage (V)              | DC24V                            |
| Power Consumption (W)          | 5W                               |
| Dimension (mm) (Ø x H)         | (Ø75 x H110)                     |
| Color Temperature (K)          | Warm white (3,000K)              |
| CRI                            | >70/ 80Ra                        |
| Power Factor                   | 0.6                              |
| IP                             | 65                               |
| Beam Angle                     | 60°                              |
| Luminous Efficiency (LM)       | 80Lm/Watt                        |
| Efficiency of the Power Supply | >87%                             |
| Life time                      | 50,000 hrs.                      |
